

Recreational Dock Owner Society

NOTICE 15

The Vancouver Fraser Port Authority has just sent by email an Update Notice dated December 4, 2024. The Notice addresses two areas:

1. Notice of license fee increase
2. Notice of a name change on the license agreement from Recreational Dock Program to Private Residential Dock Program

This notice does not impact any of our current license agreements other than the name change. Furthermore, this does not change the work that the Recreational Dock Owner Society and Bennett Jones LLP is doing for the Residents who own property along the waterfront in the jurisdiction of the Vancouver Fraser Port Authority.

In reference to the fee increase, even though we do not agree with such a significant increase in fees, we will still only focus on the issue ensuring we can get a fair license agreement and will address the fee increase amount at a later date.

For those who did not receive the email from the Port, attached is a copy of what was sent out.
